

The Albino Dolphin

Hi my name is White Winnie. I like to play in the water and jump in the waves because I am a dolphin.

But I am an odd dolphin. I am not blue but all white. When some one is all white they are called Albino so I am an albino dolphin.

YOUR TURN

Take out White Winnie and look at her color.

Then Turn the Page.

Other dolphins make fun of me because I am albino. So I like to lay on the beach by myself and no go into water.

But today I hear two of my friends call my name.

"Winnie, come swim with us!"

I tell my friend Turtle and Checkers that I do not want to swim, because I am different than them.

I cannot play with you because I am all white.

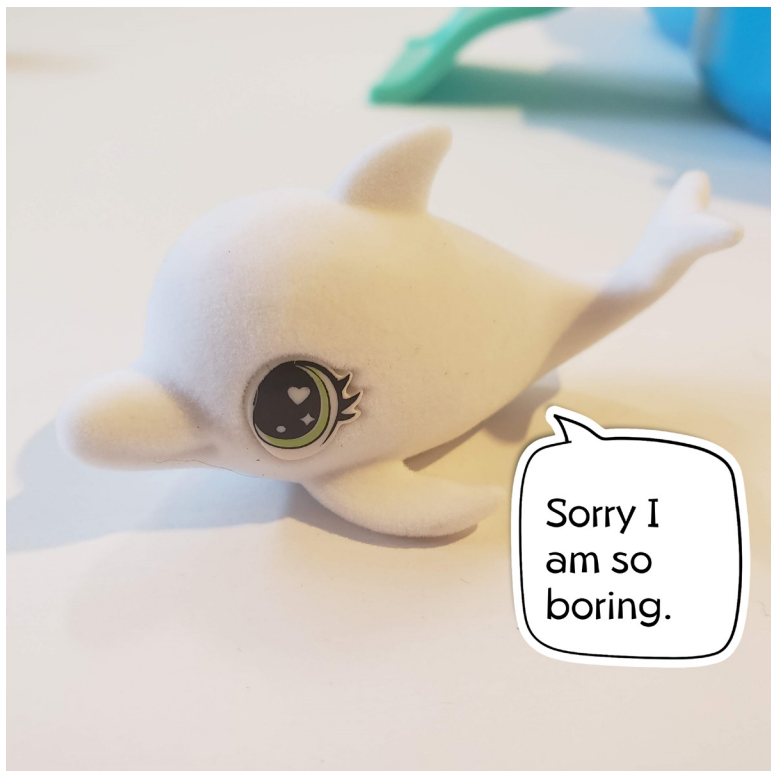

Checkers is so cool, she is so colorful and looks like a checker board.

And Turtle has a magical shell.

And I am just plain albino white.

But turtle asks again.

"Come play with us Winnie. We do not care if you are all white."

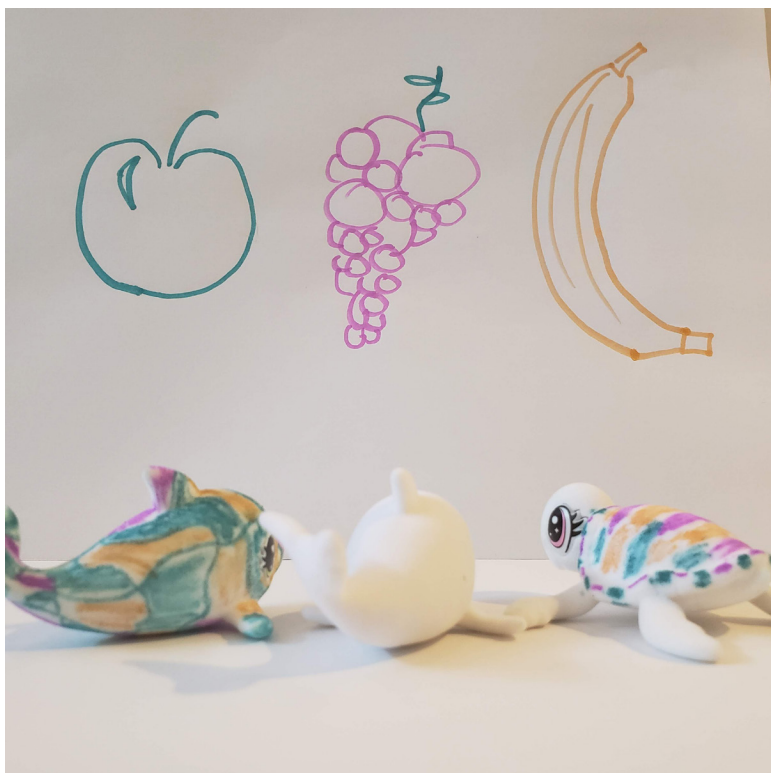

Checkers gets a good idea.

"Winnie lets have fun coloring you so you can play with us too."

I am scared but I go with my friends to see if I can be colorful too.

We first visit a fruit stand. There is a green apple, purple grapes, and a yellow banana.

"We can use the juices to color your tail," says Checkers.

Which color should I color my tail?

Turtle tells us he wants to visit a Pirate Ship. I am scared but I have my colored tail to protect me.

We swim up to the pirate ship and see a pirate waving at us. He has a hook for a hand.

And he also has 3 large tattoos on his arm. They look really cool.

Turtle tells me I should get a tattoo.

My tattoo looked really good, thank you. With my colored tail and my tattoo, maybe I can have friends again.

Checkers tells me I am silly, that she will be my friend whether I am colored in or not, but I do not believe her.

We all decide to go to the zoo. There is a marina at the zoo, so we all can swim in, but I have to be careful not to get caught by the zoo keeper. Since I am albino, I am a very rare dolphin.

We swim in the zoo and I see three animals. I see a zebra, a cheetah, and a cow. This gives me an idea of how I can paint my body.

How should I paint my body?

With all these colors on me, I feel like I am cool enough to hang out with my friends Turtle and Checkers.

We all go hang out on my blanket and listen to music. I have so much fun.

Checkers and Turtle tell me I look great, and they also tell me that that we can have fun no matter what I look like.

Maybe they are right?
