Play and Read

The Baby Turtle

By Paul Hansford

This story is about the
January 2022
LEGO Friends Sets.

Emma found a baby turtle and needs to find it more food in town.

You drank that
up fast. Let's
find you more
food.

Let's go find you
more food in town.

Emma's Tent

This is my home Turbo.
Let's go get you lunch.

Play Idea

Step 1:

Have Emma and Turbo visit your fridge and pick out some snacks for Turbo to try.

Step 2:

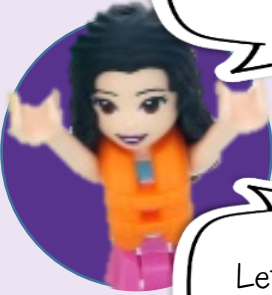

For this story, this is the food we used:

Turbo, you did not eat
your marshmallow. You
built a fort!

Lets find something
else to eat.

Here is my favorite
place for lunch Turbo,
Street Food!

We can try tacos,
juices, or sushi. I
wonder which one you
will like.

Street Food Market

Hello Nandi. Do you have any food for my friend Turbo?

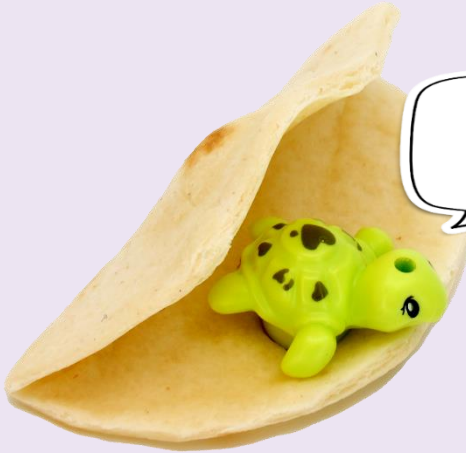

Turbo is so cute. Let me make him a spicy taco!

I put extra peppers in the taco for you Turbo!

Will you eat the spicy taco Turbo?

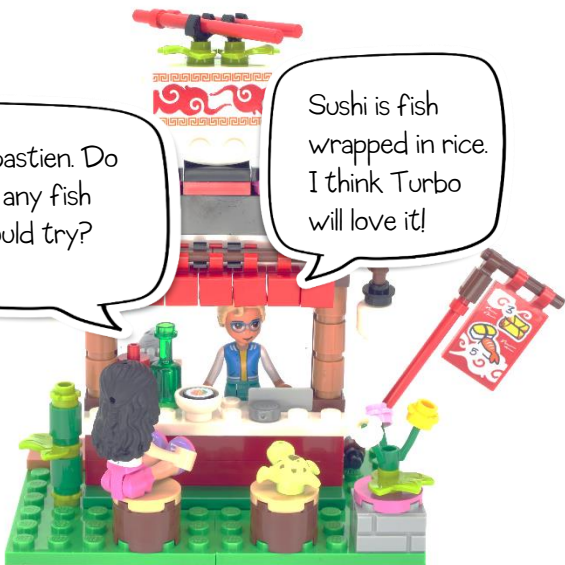

Zzzzz...

Turbo fell asleep in the
taco. Maybe he likes how
warm it is.

Hello Sebastien. Do you have any fish Turbo could try?

Sushi is fish wrapped in rice. I think Turbo will love it!

This Sushi is so good Sebastien. Thank you.

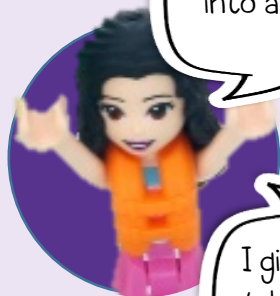

Anything for my best friend and her turtle.

What do you think Turbo?

Turbo turned himself
into a Sushi. Oh dear.

I give up.. I guess I will
take you back to the
beach where I found
you.

Surfer Beach Front

Emma, it looks like your turtle wants my yummy ice cream.

I think you are right Mia. Turbo looks really happy.

I am not surprised. Turtles swim up to the shore here everyday to try my ice cream.

You miss your mom
don't you. Don't
worry baby turtle.
I will help you find
her.
