Story Build Instructions

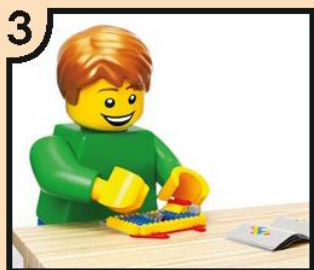

Zane's EVO Mech Evolves

By Paul Hansford

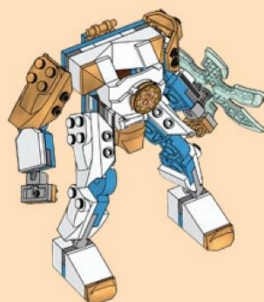

IMPORTANT: READ THIS FIRST

This book replaces the LEGO® instructions of Zane's EVO Mech.

With these LEGO Instruction PLUS® you will learn about why Zane created the EVO Mech and what it can do!

4

Hi. My name is Zane.

I am the ice ninja!

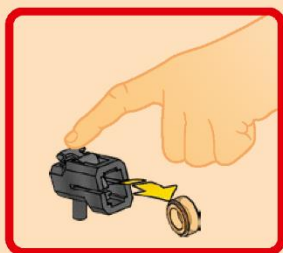

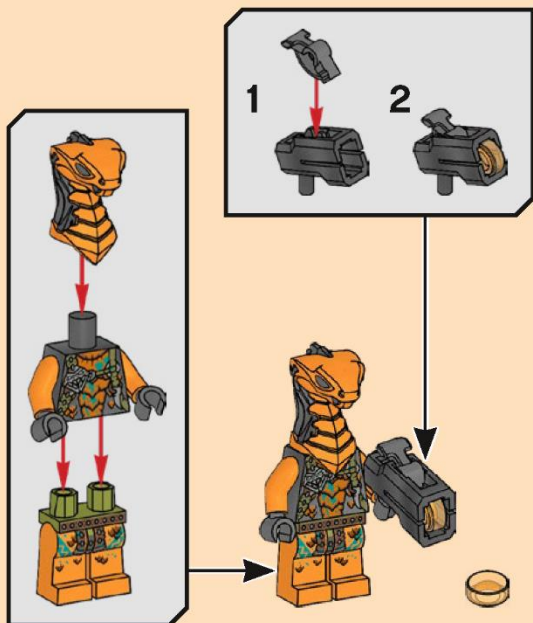

1

Do not lick
the ice blade
Zane.

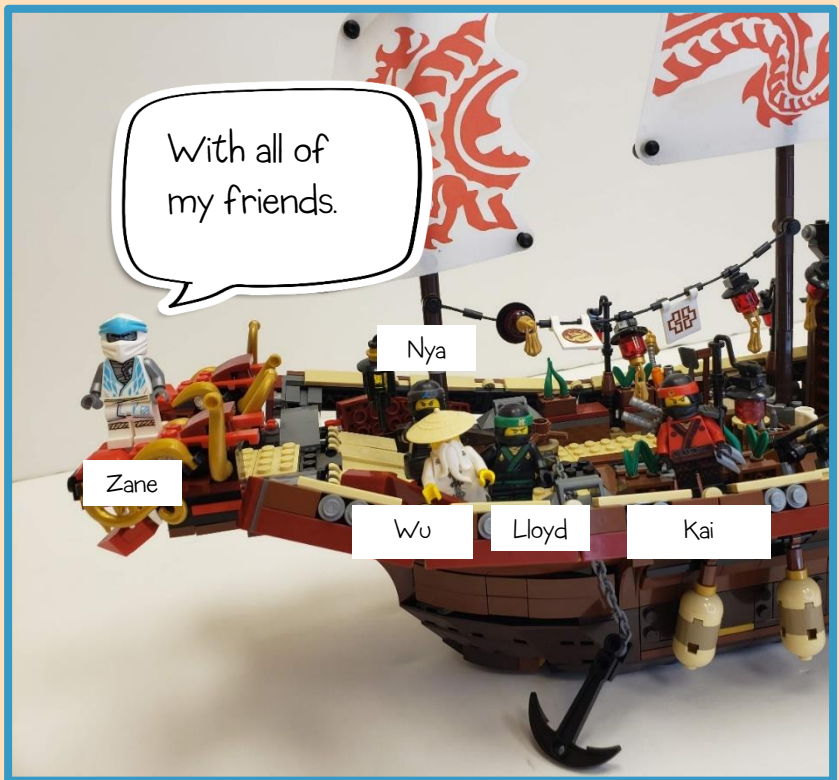

And that is a Boa Destructor. He is not allowed on the ship!

My story starts here
on Destiny's Bounty.

With all of
my friends.

Zane

Nya

Wu

Lloyd

Kai

Zane it is your job
to guard the boat
at night.

Not cool. Why do I
always have to
guard at night?

You are a robot
Zane. You do not
sleep.

Fine. But I am
going to watch
TV while I guard.

I wish the TV
played cartoons at
night.

With Zane
watching TV, I
can sneak on to
the ship!

Boa Destructor

Everybody
jump over
board!

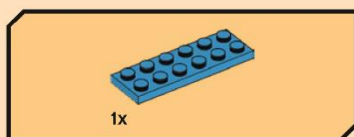

Oh no. I am
not water
proof!

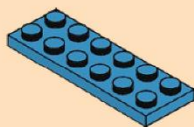

Zane. Use your ice power to save yourself.

Master Wu is right. I can turn this water into ice.

This ice armor floats!

But now I can't move. I am stuck.

21

Ha ha Zane you are stuck. The Destiny's Bounty is mine.

Heh Snake Man.
Could you come down here. I have candy.

I need to make ice legs so I can fight the Boa Destructor.

A LEGO Mixels scene. In the upper half, Zane, an orange and black Mixel, is perched on a brown and red LEGO boat structure. He is holding a black gun. In the lower half, Snake Eyes, a white Mixel with black markings, is on the ground amidst various blue and white LEGO bricks. A speech bubble from Zane points towards Snake Eyes.

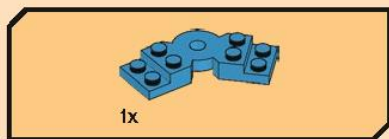

Silly Zane. You can't
climb on the boat
without hands.

Come closer so I
can bite your
stupid snake ears.

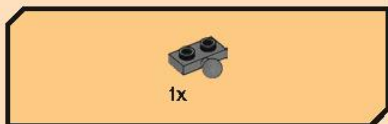

A LEGO scene set against a light orange background. In the upper half, a snake-like figure with an orange head and black body is positioned on a brown and red LEGO structure that resembles a ship. The figure has a black and grey patterned vest. Below this, a white LEGO character with a grey head is on the ground, surrounded by various blue and white LEGO bricks. Two speech bubbles are overlaid on the scene. The first speech bubble, coming from the snake figure, contains the text "Snakes don't have ears, Zane." The second speech bubble, coming from the white character, contains the text "Okay, I need a way to climb on the ship."

Snakes don't have ears, Zane.

Okay, I need a way to climb on the ship.

A LEGO Ninjaball minifigure with an orange head and torso, wearing a black vest with a pattern, stands in a jungle-like setting. The scene is built with yellow, brown, and grey LEGO bricks. There are green bushes and a grey grate on the ground. A speech bubble is positioned above the minifigure.

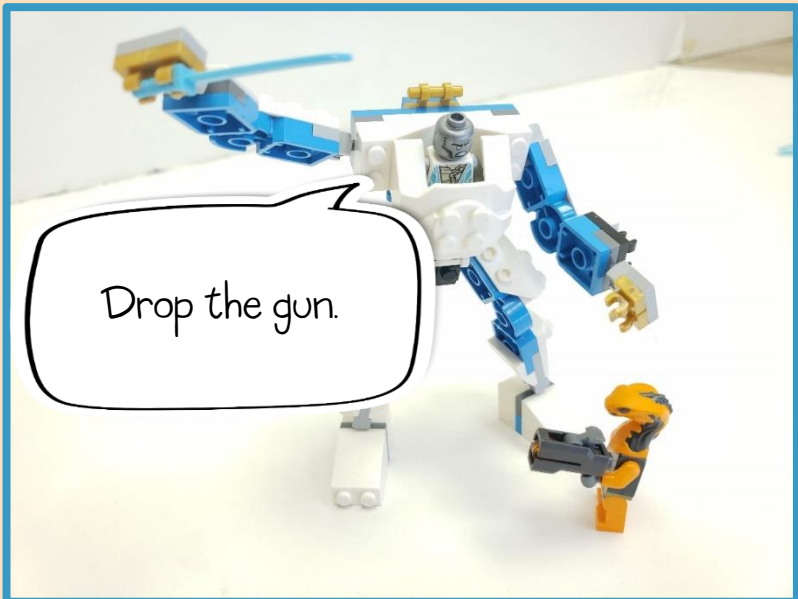

Zane was right.
This cartoon
show is good.

A LEGO Ninjaball minifigure with an orange head and torso, wearing a black vest with a pattern, stands in a jungle-like setting. The scene is built with yellow, brown, and grey LEGO bricks. There are green bushes and a grey grate on the ground. A speech bubble is positioned above the minifigure.

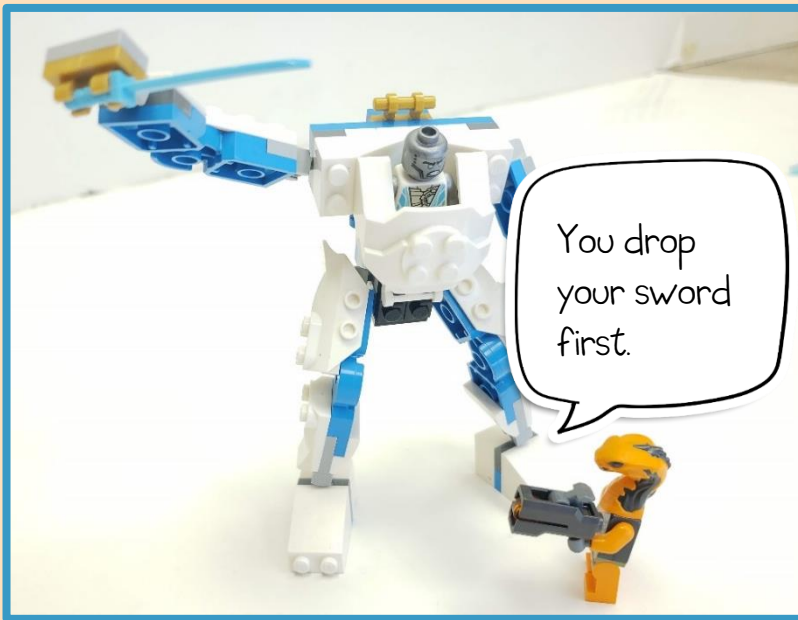

Uh oh...

A LEGO Ninjaball minifigure with an orange head and torso, wearing a black vest with a pattern, stands in a jungle-like setting. The scene is built with yellow, brown, and grey LEGO bricks. There are green bushes and a grey grate on the ground. A speech bubble is positioned above the minifigure.

Peek-a-boo
Mr. Snake.

A LEGO Star Wars scene featuring a large, white and blue robot with a grey head and a small orange and black figure. The robot is standing on a white surface. A speech bubble is positioned to the left of the robot.

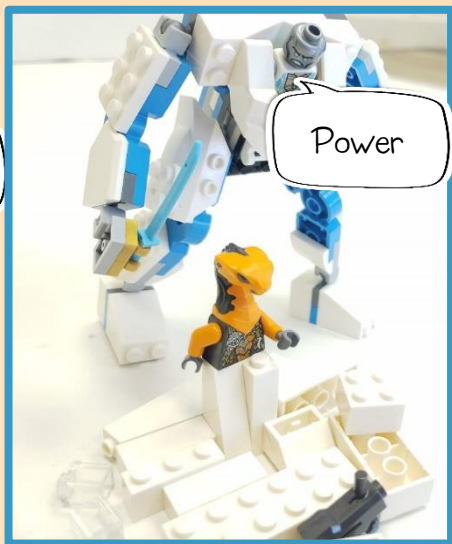

Drop the gun.

A LEGO Star Wars scene featuring a large, white and blue robot with a grey head and a small orange and black figure. The robot is standing on a white surface. A speech bubble is positioned to the right of the robot.

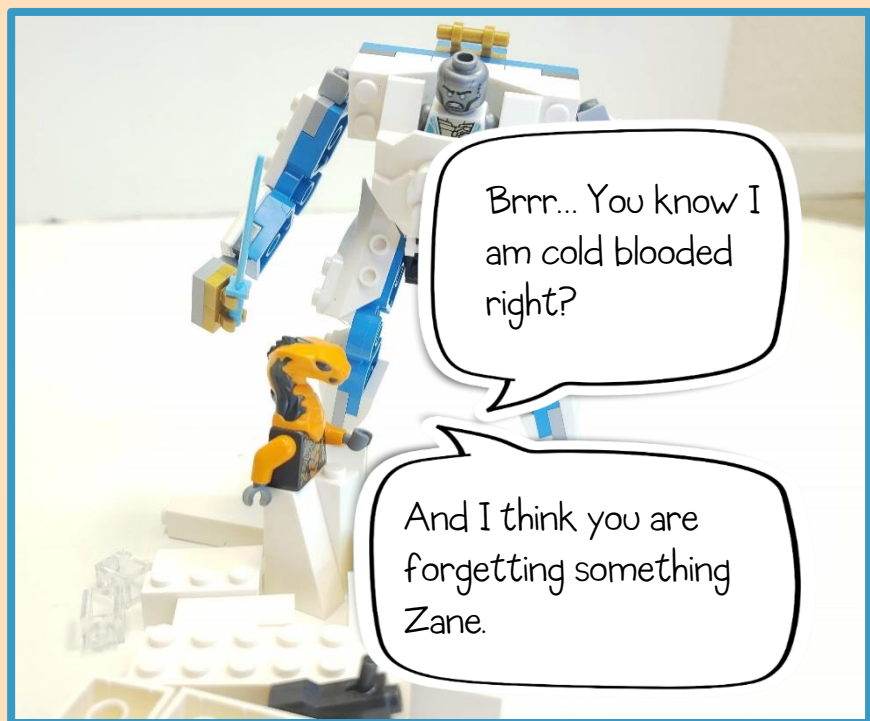

You drop
your sword
first.

Ice

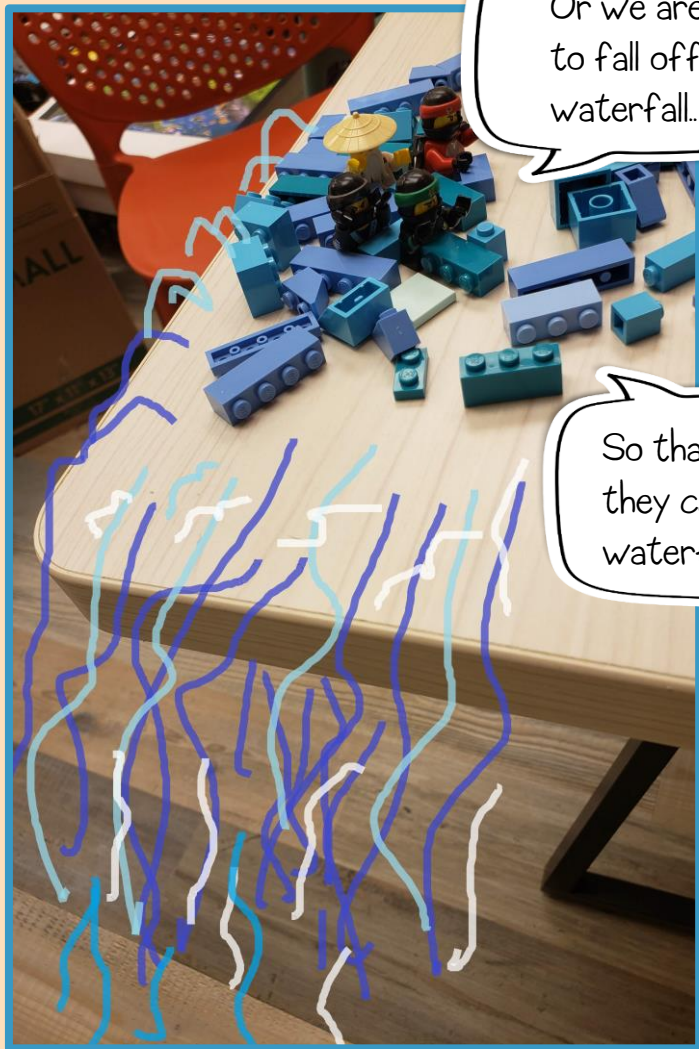

Power

Brrr... You know I
am cold blooded
right?

And I think you are
forgetting something
Zane.
