By Paul Hansford

This story is about the
January 2022
LEGO Ninjago Sets.

Zane is on the Destiny Bounty and his friends are about to fall off a waterfall.

I don't like water.
And I don't like
falling. So I really
don't like waterfalls.

I will save you!
I just need to figure
out how.

You are out of time
Zane. Do something now.

Play Idea

Step 1:

Find an Ice Tray.

Step 2:

Add Ninjas and Snakes

Step 3:

Add Water

Step 4:

Put Ninjas in the Freezer and wait.

I will use my ice
sword to freeze you
all and stop the
waterfall.

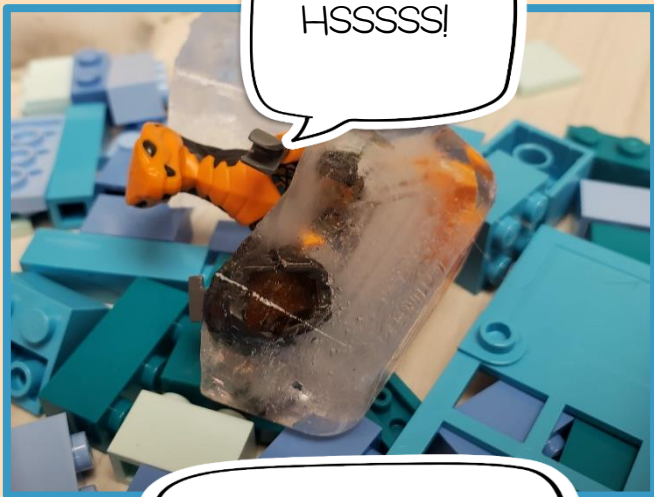

No fair.

I want an ice sword.

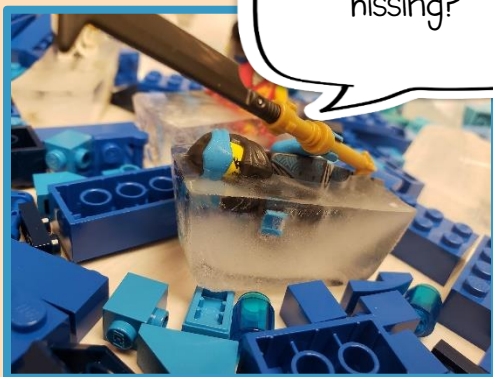

Way to think fast
Zane.

You saved the ship
and my tea.

Why is Mr. Snake
hissing?

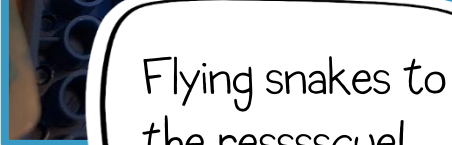

HSSSSSS!

I think he is calling
for his snake friends.

I think we are safe
in the water.. It's not
like snakes can fly.

Something just
hooked me.

Nya fish.

Let me go!
Wait...
Don't let go!

Kai. Use your fire powers to melt the ice.

Fire power!

But I know who can.

summon you.

ROAR!!!!

Drumstick use
your fire breath!

Play Idea
