History:

After Zane unburied the power core in the artic he built the EVO Mech to defend against the ghost pirates.

Now to put
the ninja hat
on my head and
steal its power.

Oh no. My nose is
too big and the
helmet does
not fit.

Bummer. I guess
this hat will have
to be my new
toilet paper.

Give me back my
ninja hat
Noodles!

Ninja Stomp !

Ouch!
I will destroy
you Zane.

Not if I use
my EVO Mech
combat stances.

ICE WALL STANCE

FROZEN STINGER STANCE

Blade in front
for easy strike.

Stinger Stance
will turn you into
a frozen snake
pizza.

CHAINSAW NOVA STANCE

Focus energy
into spinning ice blade.

CHAINSAW NOVA STANCE

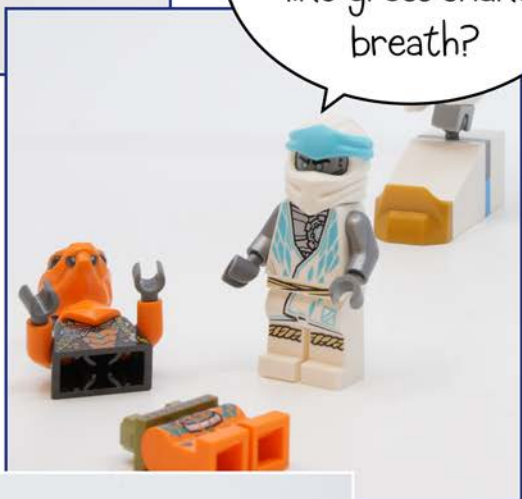

Chainsaw Nova
Chop!

Ouch.
That really
hurt.

I will be taking
my cool ninja
hat back now.

Why does this
mask smell
like gross snake
breath?

Have fun laying
in pieces Noodles!

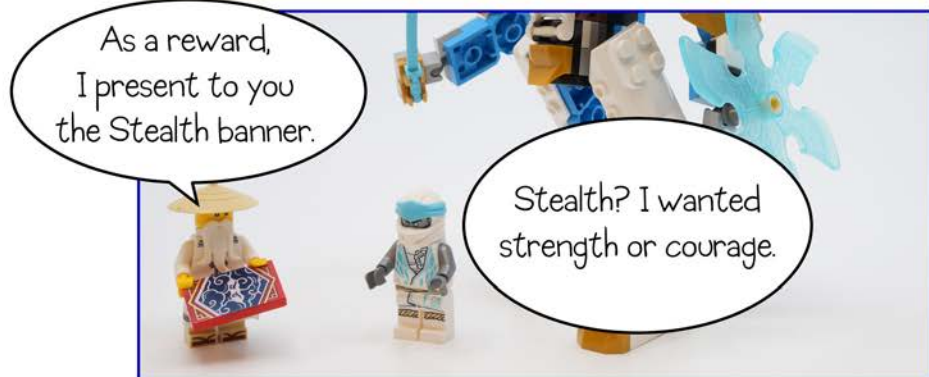

Zane does not know
that I can regenerate
my body!

Come on
legs, lets
grow !

Ah man. Now all I have
is baby legs. I can't be
a ninja with baby legs.

At least this
banner makes a
good sleeping
blanket.

Zzzzz...

This mech is too
heavy. I can't
move it.

This time
I will steal
your Mech.

But I can
steal Zane's
sword.

I may have
baby legs,
but I am now
an ice ninja!

Now to remove
the Mech's
power battery.

Without this
battery,
the mech has
no shields.

I really need
to lock my
bedroom door.

Time to go pound
Noodles to
the ground. Even
without my ice
sword.

Master Wu told
me to work on
stealth. Maybe I
should try to sneak
in this time.

Noodles can't
even see me
up here.

Surprise
Spinjitzu!

Ice Sword
Attack!

Now you
are the frozen
pizza Zane!

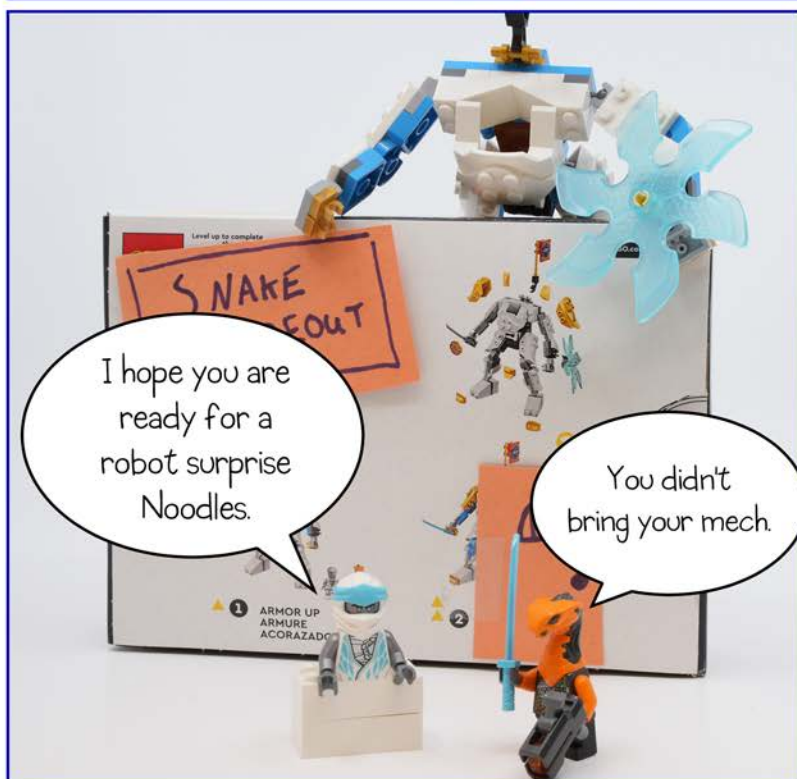

Good thing I can
control my mech
with my mind.

EVO Mech, I
command you to
come save me.

I hope you are
ready for a
robot surprise
Noodles.

You didn't
bring your mech.

Stealth attack!

I took out your
core battery Zane.

And without the
battery, your gold
shields are off.

Hope you didnt
need that arm
EVO mech.

Your mech is mine now Zane. Let's figure out how to use this mech.

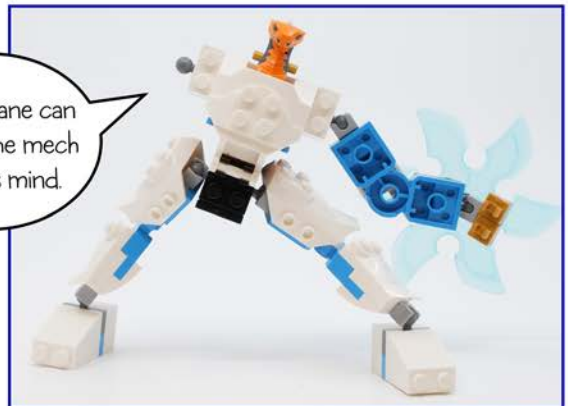

Eat ice chainsaw.

Why did the ice blade stop?

I command you to stop EVO Mech.

Now I command you to do jumping jacks.

Oh no. Zane can control the mech with his mind.

Now hit your
head on the
ground!

Ouch.

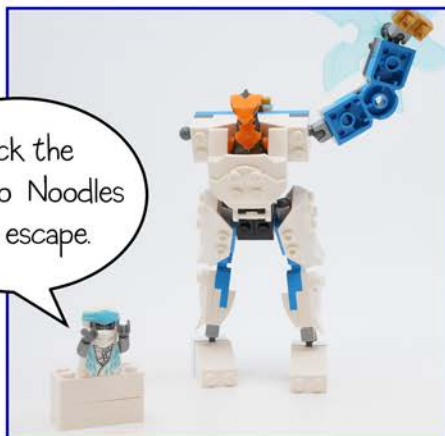

Let me out!

Ouch.

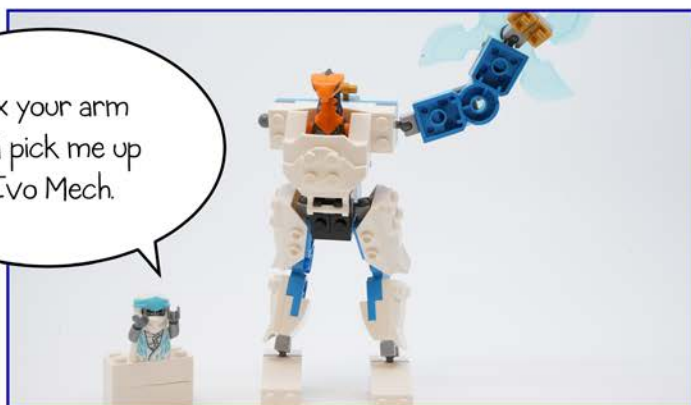

Lock the
hatch, so Noodles
can't escape.

Ouch.

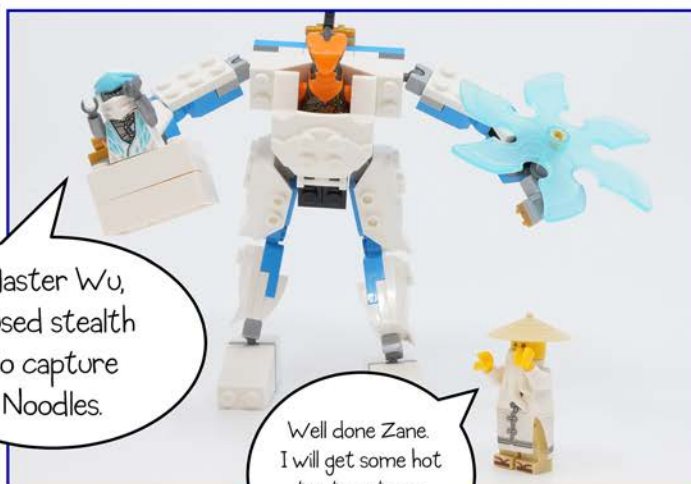

Fix your arm
and pick me up
Evo Mech.

Take Noodles
and I back to
Master Wu's
Dojo.

Master Wu,
I used stealth
to capture
Noodles.

Well done Zane.
I will get some hot
tea to get you
out of the ice.

PLAY STARTER

THE FURTHER ADVENTURES OF ZANE'S EVO MECH

DOLL DISASTER!

1.

THE  ROSE OVER THE JAGGED MOUNTAINTOPS OF NINJAGO.

 PYTHOR LOOKED OVER TOWARDS THE NINJA DOJO TEMPLE, TIGHTLY GRIPPING THE ~~BLASTER~~ HE PLANNED TO USE SHORTLY.

"JUST AN HOUR MORE CLIMBING AND I WILL BE AT THE GATES. AND THEN I CAN START MY ATTACK!"

"THAT NINJA WON'T KNOW WHAT HIT HIM!!"

ZANE WAS HOME ALONE...

WELL NOT TOTALLY. HIS MECH WAS IN THE CORNER OF THE DOJO, BUT HE WASN'T MUCH FUN.

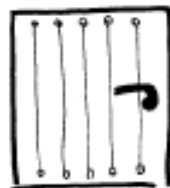

SUDDENLY A SHADOW PASSED UNDER THE DOJO DOOR

"MAYBE I'M NOT ALONE AFTER ALL..."

PYTHOR STOOD IN FRONT OF THE DOJO DOOR

"AS SOON AS I AM INSIDE I WILL BLAST THE FIRST THING I SEE  WITH MY 'BRING TO LIFE' RAY

"BUT FIRST I NEED TO GET PAST THIS DOOR..."

PYTHOR LOOKED OVER THE DOOR AND HIS EYES LANDED ON THE HANDLE.

"IT COULDN'T COULDN'T BE THAT EASY, oops, my bab... COULD IT?"

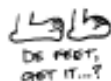

HE PULLED THE HANDLE DOWN  AND THE DOOR OPENED.

↑
1 HOUR
↓

HA! HA!
HA! HA!

PYTHOR STEPPED INSIDE. HE NEEDED TO FIND SOMETHING TO BLAST WITH HIS 'BRING TO LIFE' RAY. HE WAS NOT STRONG ENOUGH TO DEFEAT

ZANE ALONE.

2.

HE SAW A WOODEN TRAINING DOLL, WITH 3 KATANAS. IT LOOKED PRETTY DANGEROUS

BLAST!

PYTHOR'S RAY HIT THE DOLL AND IT STARTED SPINNING

ZANE STOOD DEFENSIVELY BUT QUICKLY SAW THIS WAS NOT A FAIR FIGHT.

"THIS DOLL HAS 3 SWORDS READY TO TURN ME INTO CHOPPED NOODLES. I NEED TO EVEN THE SCORE!"

IN A FLASH  HE BACKFLIPPED AND LANDED BUTT FIRST IN HIS MECH.

HE HIT THE 'ON' BUTTON

AND THE MECH STARTED MOVING. WITH A KATANA IN ONE HAND AND A SPINNING SAW IN THE OTHER, NOW HE WAS READY FOR

ACT ONE

"I'M GOING TO KNOCK YOUR BLOCK OFF!"

DESPITE ITS 3 SWORDS, THE DOLL WAS NO MATCH FOR ZANE'S MECH AND ITS

SPINNING SWORD.

ZANE TURNED TO PYTHOR.

"I PREDICT ~~YOUR'E~~ YOU'RE GOING TO BE A BIT 'SAW' WHEN I  FINISH WITH YOU!"

COH, THOUGHT ZANE. I SAID A FUNNY. TODAY REALLY IS A GREAT DAY!

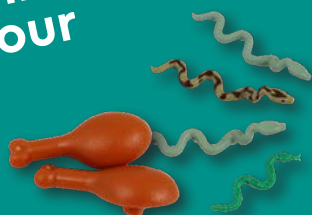

SNAKES ALIVE!!

Argh...

If there's one thing Zane really dislikes, it's snakes. So when the Cobra mechanic sends some of his slithery serpents to distract Zane so he can steal his mech, the nindroid has his hands full. Can you help Zane to find a way to overcome his fear and defeat the radical reptiles?

Use these extra pieces – or any others from the book – to finish the story your way!

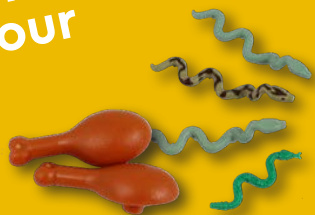

PICNIC PANIC

Nya and Zane take the mech into the hills for a mountainside picnic but Cobra Mechanic has plans to kidnap them. Having removed the weapons before heading out – who takes weapons to a picnic?!? – can you help our heroes find the ingredients to defeat the sinister serpent?

Use these extra pieces – or any others from the book – to finish the story your way!

ICE TO SEE YOU!

Zane invites Nya over for dinner but an unexpected guest arrives first – the Ice Zombie Warrior. With Zane frozen to the spot, Nya arrives just in time and jumps into the mech to take on the zombie. Can you help Nya use the mech to defeat her frozen foe?

SOMETHING FISHY

As the Ninja of Ice, Zane has spent a lot of time around penguins and loves their company. So you can imagine his surprise when out fishing in his mech, he meets a penguin who fires lasers from his eyes at him!!! Can you help Zane think fast to defeat Cobra Mechnic's remote controlled penguin before he is blasted to bits?

TOTALLY ARMLESS

Cobra Mechanic's trained vulture is swooping into the dojo courtyard and stealing Zane's mech piece by piece. With both arms already gone, Zane has to think quick. But is it better to build something new onto the mech, or find a way to stop the vulture – you decide?

Use these extra pieces – or any others from the book – to finish the story your way!

1 Use your flagstick as a catapult and shoot a web up in the air to bring the vulture back down to earth.

2 Rebuild your arms out of your leg armour and flag pieces and then catch the vulture in mid-flight.

3 Make friends with the vulture and re-train him to bring back the mech's arms in return for some tasty fish.

TRAINING TAKEOVER

When the Cobra mechanic attacks the dojo and fires his 'Bring to Life' ray at a training doll, Zane has to think quick as the wild wooden foe advances. Facing three spinning katanas, how can you help Zane to stop the training doll from slicing his mech into little metal pieces?
