COMIC

Layla, I can't believe
Heartlake city
donated an ATV
to us.

Showing those
pictures of baby
turtles to the
mayor really
worked.

Look, they
even put my
Turtle Aid
logo on the
front.

The logo goes
nicely with our
Junior Pet Vet
T-shirts.

The dog paw is also
a heart, and I put a
heart beat in
the middle.

Layla, your
life jacket is
covering the
Pet Vet shirt.

Don't worry
Emma. I didn't
wear our club
shirt.

I wore a swim suit
instead so we can
go surfing!

Look the city
gave us a new
surf board too!

Layla, we are
supposed to
save turtles.

I'll race you Emma.
With this surf board
I am sure I will find the
baby turtles first!

No fair!
We are supposed
to use the ATV.

The race is on.
This turtle vehicle
is going to win.

Surfs up!
This wave is
going to launch
me.

Looks like
I am by myself
now.

Oh look,
baby turtles
are near by.

Surfing Layla
to the rescue!

Say good
by Mr. Crab

And here is
some yummy
milk.

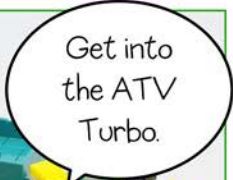

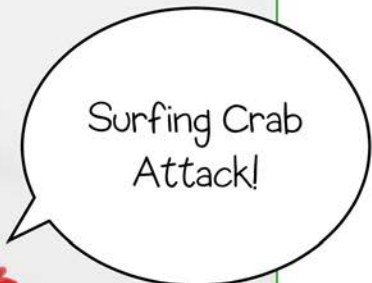

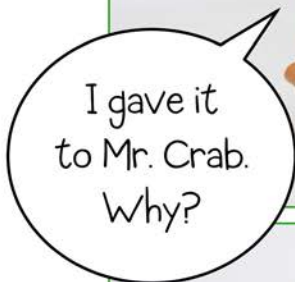

Layla, turtles
are reptiles
so they don't
drink milk.

Turbo does
look really
hungry though.

Turbo, you stay safe here. I will go make your bed in the back.

Help!

Oh no! Turbo is driving the ATV!

Momma Turtle
coming in!

Does Momma
like ice cream too?

Turbo hopped
out of his shell
to eat with
his mom!

Goodbye Turbo.
We love you!

PLAY IDEA

Layla, I don't think
I will ever learn to surf.
It's too scary.

Just follow
what Turbo
does.

Layla and Turbo are trying to help Emma learn to surf. Tell a story about Emma learning.

- Maybe Layla is a great surfer.
- Maybe Turbo can swim really fast.
- Maybe The ATV lets Layla see what Emma is doing on the water.

PLAY IDEA

I want to try
some ice cream
too Andy.

Mr. Crabs wants to eat Turbo's ice cream.
Build a story about what Andy should do.

Maybe Andy wants to build an ice cream store with a big wall to keep crabs out.

Maybe Turbo needs to learn how to share.

Maybe Mr. Crabs wants to help Andy
sale ice cream.

STORY

EMMA

ME!

Today is a **BIG** day. I finally
get to save some baby turtles. →

My BEST friend Layla

wrote a  to the mayor. We showed

pictures of baby turtles on the beach.

The Mayor sent us a new car.

It is called a **T**urtle **P**rotection **V**ehicle

I call it the **TPV** for short.

The **TPV** only has room for **1**  Driver

So I ran $\equiv$ to the front and put in the

 key. "No Fair."  whined Layla.

She moved to sit in the BACK trailer.

"What is this?" she yelled from the back.

Something **BIG** and **GREEN**

popped out of the back.

LAYLA found a full size

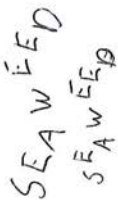

Why would
the mayor give
us a surf board?

Layla  to surf. I hate surfing.

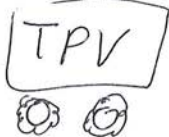

Surfing is DANGEROUS.

There are  SHARKS and  Crabs with  claws

and I could get stuck by  SEAWEED

No thank you. I am
only  saving turtles on
dry land ↓

Layla jumped out of the  TPV

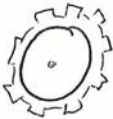

and ran to the water. 00 

"I'll race you Emma. My surfboard
to your car." Who will save a turtle
first? The race was on. 

THE RACE

I hit the gas on the TPV.

≡VROOM≡

The TPV tires  jumped over rocks
 Clams and waves.

The lifeguard BLEW her WHISTLE.

But I was going too fast and ZOOMED
by.

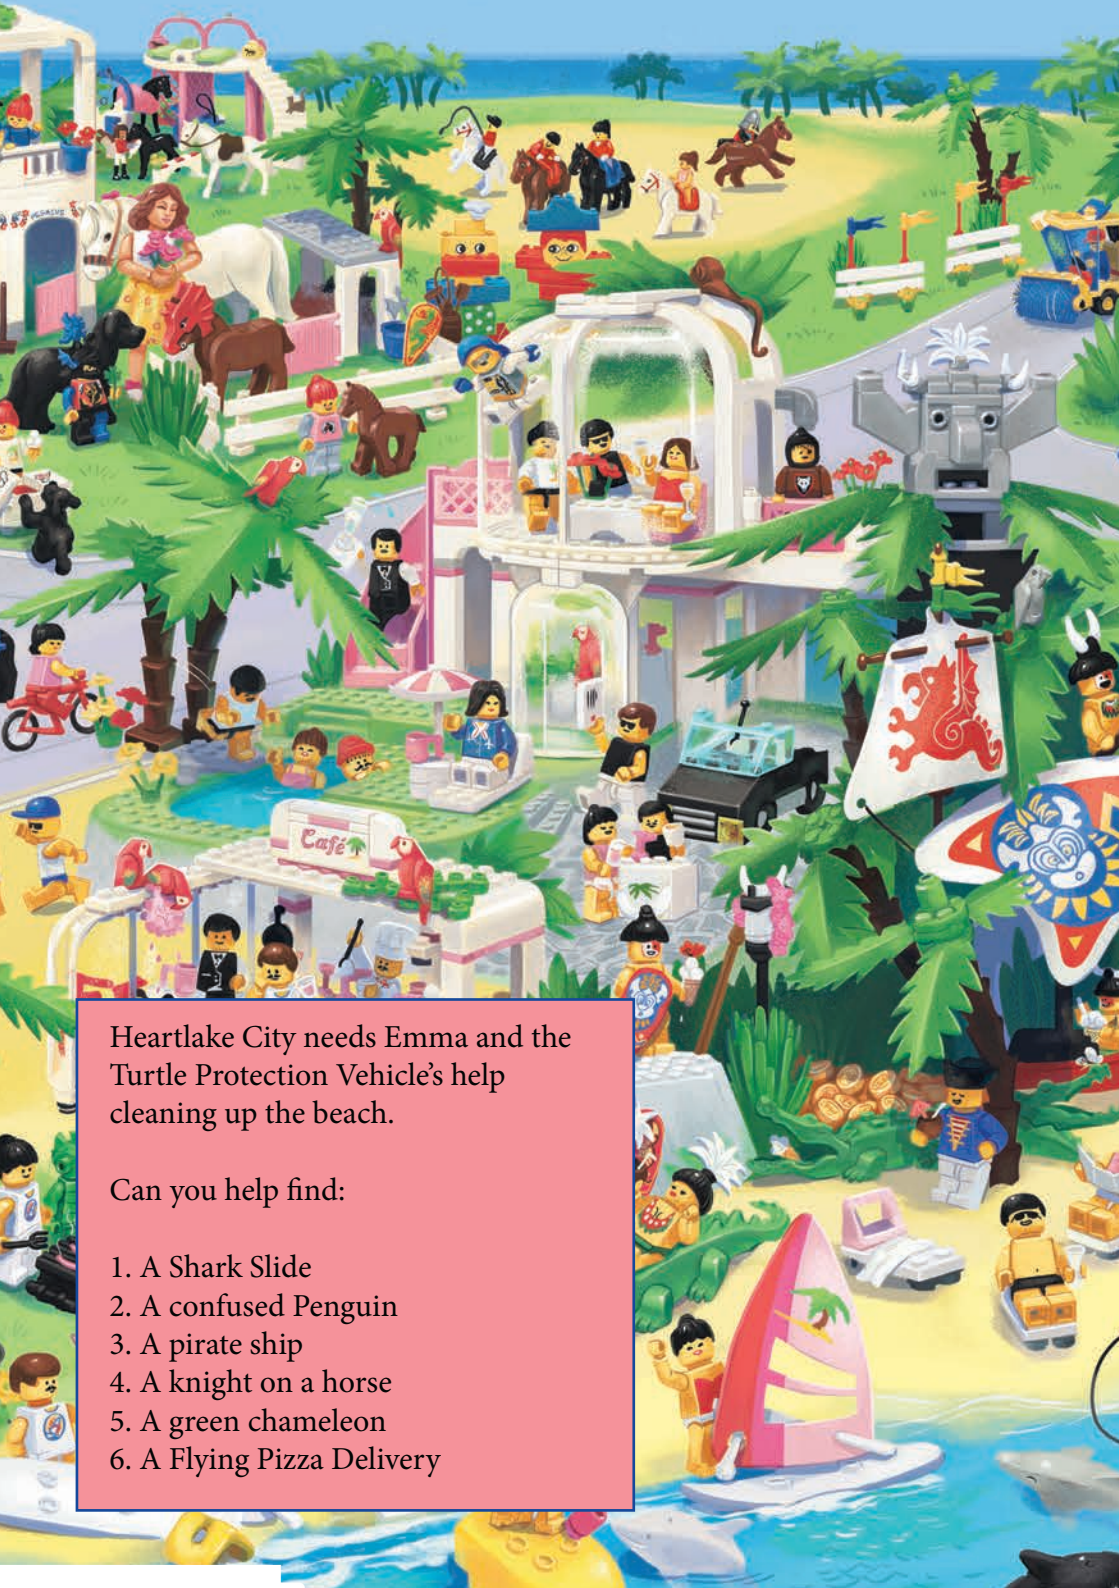

I then drove by a large
red Crab.

HE had something  ^{white}
and _{around} in his claw.
